

SOVEREIGN RELEASE CALENDAR FOR 2020

This calendar announces two dates for the potential release of both solicited and unsolicited sovereign credit rating actions, in accordance with EU Regulation 462/2013 ("CRA3"). It includes sovereign issuers that are covered by a Lead Analyst based in the EU, as required by CRA3 and, in order to provide greater market clarity, it also includes EU sovereign issuers that are covered by Lead Analysts based outside of the EU. This calendar may be updated as needed during the year.

This calendar does not incorporate dates where Moody's will release what Moody's terms newly issued credit ratings assigned in the Subsequent Ratings Process or credit ratings from which a provisional notation has been removed in the Anticipated Ratings Process. For more information on Subsequent Ratings Process and Anticipated Ratings Process, please see Moody's Rating Symbols and Definitions available at www.moodys.com.

Finally, in accordance with CRA3, there may be circumstances in which a material change in credit condition or other event requires Moody's to release a sovereign credit rating action on a date other than those set out below. In these instances, Moody's will provide an explanation of the reasons for a deviation from this calendar.
