This document sets forth proposed terms to govern the strategic partnership and business relationship between Williams Mullen Strategies ("WMS") and the Directorate for Defense Production of Ministry of Economy and Trade ("DDP-MET"). WMS will serve as international representative for DDP-MET for purposes of assisting DDP-MET in connection with the integration of Romania into the North Atlantic Treaty Organization ("NATO"); to facilitate the cooperation with DDP-MET for military equipment and other products of the defense industry; and to leverage those purchases as one means of maximizing foreign sales by Romanian vendors through key partners from the U.S. defense industrial base to customers throughout the world.
